

c. Service on Federal/Interagency/State Committees

Stan Benjamin

- Served as Lead, Product Development Team for Model Development and Enhancement
- Serves on Federal Aviation Administration (FAA) Aviation Weather Research Program (AWRP)
- Served as Lecturer, Utility Variable-Generation Integration Group (UVIG), previously known as the Utility Wind Integration Group (UWIG)
- Serves as Associate Director, Executive Committee/OAR Representative - Joint Center for Satellite Data Assimilation

Mark Govett

- Serves as a Co-organizer of multiple NCAR Multi-Core Workshops

Eric Hackathorn

- Served on NASA and National Science Foundation Grants Advisory Boards

Steve Koch

- Served as National Research Council Advisor; Lead, Federal Aviation Administration (FAA) Model Development and Enhancement Project Development Team (PDT)
- Served as Co-lead, FAA Turbulence Product Development Team
- Served on NSF's Linked Environments for Atmospheric Discovery (LEAD) External Advisory Panel

Chris MacDermaid

- Served as a member of the National Science Foundation Review Panel

Jennifer Mahoney

- Serves on the AMS Board on Environmental Information Processing Technologies
- Serves on the OAR Evaluations of Community of Practice
- Served on the OAR Weather Ready Nation Committee
- Served on the Joint FAA-NWS Traffic Flow Management Weather Requirements Working Group
- Served on the FAA Weather Evaluation Team
- Served on the Joint Planning and Development Office of Environmental Information Integrated Project Team (IPT)
- Served on the Aviation Weather Integration IPTs for Icing, Turbulence, Convection, Verification (FAA)

Melinda Marquis

- Serves as the OAR Representative to the Resource Assessment and Design Conditions Interagency Working Group

Patricia Miller

- Served on Federal Committee for Integrated Observing Systems (CIOS)
- Served on Federal Highway Administration (FHWA) Clarus Initiative Coordinating Committee
- Served on FHWA Clarus Initiative Coordinating Committee Observation, Quality Control (QC), and Metadata Task Forces

- Served on NOAA Meteorological Assimilation Data Ingest System (MADIS) Transition Team

Thomas Schlatter

- Served on Science Steering Committee, U.S. Weather Research Program
- Served as Lead, Product Development Team for Model Development and Enhancement - Federal Aviation Administration (FAA) Aviation Weather Research Program (AWRP)
- Served as Member, Scientific Steering Committee, Joint Center for Satellite Data Assimilation, operated by NOAA and National Aeronautics and Space Administration (NASA)
- Served as one of the principal authors of Cost and Operational Effectiveness Analysis for the NOAA Profiler Network, a report mandated by the U.S. Senate Appropriations Committee, 2003-2004. This report was instrumental in preserving a network of wind-profiling radars in the central U.S. that contribute toward more accurate weather forecasts, severe weather watches, and warnings. It also laid the groundwork for an upgrade of the network, currently in progress
- Served as member of the National Academy of Sciences Committee on Developing Mesoscale Meteorological Observations to Meet Multiple National Needs

Keith Searight

- Served as a staff mentor for the UCAR Leadership Academy Program

Lynn Sherretz

- Served on NextGen Joint Planning and Development Office
- Served on Weather Working Group Info Tech and Environmental Services Team, Environmental Information Team, and Demonstration Team

Zoltan Toth

- Served as Chair, U.S. The Observing Research and Predictability Experiment (THORPEX) Executive Committee
- Served as Member, U.S. Weather Research Program (USWRP) Prospectus Team
- Served as Review Panel member for NASA ROSES-2014 A.25 research proposal solicitation, entitled Severe Storm Research
- Serves as a NOAA Next Generation Global Prediction System (NGGPS) Statistical Post-Processing Team member
- Served as Invited Expert, International Aviation Working Group, Boulder, CO
- MAPP Proposal Review Panel member, NOAA Climate Program Office
- Served as a member of various NUOPC (National Unified Operational Prediction Capability) panels and working groups
- Serves as Chair, Interim Interagency Weather Research Coordination Committee

Betsy Weatherhead

- Served as a member of the Department of Energy – External Program Review Panel
- Served as a member of the National Science Foundation External Review Panel
- Served as a member of the Department of Energy – Proposal Review Panel
