

E. Memberships

ESRL Physical Sciences Laboratory Review

David Skaggs Research Center
Boulder, Colorado
March 9-12, 2010

GSD Memberships (2000 and Later)

Significant involvement in prestigious organizations, e.g., member NAS, member NAE, and society fellowships.

Professional Societies

Stan Benjamin, Fellow, American Meteorological Society

Carl Bullock, Fellow, American Meteorological Society

Steven Koch, Fellow, American Meteorological Society

Alexander E. MacDonald, Fellow, American Meteorological Society

University and Joint Institute

Dan Birkenheuer, Fellow, Cooperative Institute for Research in the Atmosphere

Steven Koch, Fellow, Cooperative Institute for Research in the Atmosphere

Alexander E. MacDonald, Fellow, Cooperative Institute for Research in the Atmosphere

Thomas Schlatter, Fellow, Cooperative Institute for Research in Environmental Sciences

PSD Memberships (2000 and Later)

Significant involvement in prestigious organizations, e.g., member NAS, member NAE, and society fellowships.

Professional Societies

Henry Diaz, Fellow, American Meteorological Society

Randy Dole, Fellow, American Meteorological Society

Christopher Fairall, Fellow, American Meteorological Society

Marty Ralph, Fellow, American Meteorological Society

Oleg Godin, Fellow, Acoustical Society of America

Vladimir Ostashov, Fellow, Acoustical Society of America

Lev Ostrovsky, Fellow, Acoustical Society of America

Alexander Voronovich, Fellow, Acoustical Society of America

Albin Gasiewski, Fellow, Institute of Electrical and Electronics Engineers

Edgeworth Westwater, Fellow, Institute of Electrical and Electronics Engineers

Valery Zavorotny, Fellow, Institute of Electrical and Electronics Engineers

Reginald Hill, Fellow, Optical Society of America

Cooperative Institute Fellows

Henry Diaz, Fellow, Cooperative Institute for Research in Environmental Science (CIRES)

Randall Dole, Fellow, Cooperative Institute for Research in Environmental Science (CIRES)

Christopher Fairall, Fellow, Cooperative Institute for Research in Environmental Science (CIRES)

William Neff, Fellow, Cooperative Institute for Research in Environmental Science (CIRES)
